Ul Przemysłowa 4

58-160 Świebodzice Polska

NIP: 884 23 65 516

Regon: 891138010

Świebodzice 18.07.2011

ENQUIRY

Due to being chosen for refund in accordance to polish program:
„Regionalny Program Operacyjny dla Województwa Dolnośląskiego na lata 2007-
2013”

Priorytet 1 Wzrost konkurencyjności dolnośląskich przedsiębiorstw

Działanie 1.1 Inwestycje dla przedsiębiorstw

Schemat 1.1.A2 Dotacje inwestycyjne dla MŚP wspierające innowacyjność
produktową

i procesową na poziomie przedsiębiorstwa (z wyłączeniem projektów z zakresu
turystyki)

Tytuł projektu: Podniesienie konkurencyjności firmy Moneva Polska Sp. z o.o. z
siedzibą w Świebodzicach poprzez zakup nowoczesnych maszyn i urządzeń oraz
informatyzację przedsiębiorstwa.

Please send us the offer for **Shot-blasting machine**

General requirements:

1. Two separated loading chambers with machining surface:
 - minimum diameter 500 mm
 - minimum height 1000 mm
2. Two swivel hooks
3. Minimum abrasive muzzle (discharge) velocity 70m/s
4. Maximum device height 8m
5. Fluently variable speed and time control unit
6. Technical documentation in Polish
7. Display language on the operating panel- Polish

Apart from description of general equipment the offered device shall include the following:

- Filter installation for aluminum
- Decompression chamber included in the device
- Maintenance platform
- Maximum abrasive charge 800 kg
- Service reaction time- 24h
- Spare parts delivery- 24h
- Compatibility with current machine park
- Service cost price/hour
- Warranty 24months
- Innovations
- Payment terms

The supplier must include in its offer:

- Lead time – CW 48 2011 CIF Świebodzice Polska
- Price in Euro
- Cost of device installment and assembly in Moneva Polska seat in Świebodzice
- Training in Polish language in Moneva Polska seat in Świebodzice

The following criteria shall be taken into consideration when supplier will be chosen:

1.	Compatibility with current machine park	40
2.	Price	20
3.	Display language on the operating panel-Polish	10
4.	Service reaction time	10
5.	Service cost cost/h	10
6.	Warranty	10
7.	Innovations	10
8.	Payment terms	10

The estimation will be based on by multiplying the numbers of points settled above with the number of points coming from comparison between the offers

Example

The offered price of company X is lower than company Y.

The company X receives 40 points (as $2 \times 20 = 40$)

The company Y receives 0 points (as $0 \times 20 = 0$)

When the offered prices are the same the number of points received is also the same, in this example each gains 20 points.

Please attach the technical description.

It would be great to receive the description of innovative and cost savings solutions implemented in the device as well as it's influence on the environment.

The device has to comply with current EU safety standards

The offers shall be sent by post or by mail to Moneva Polska seat:
