MONEVA[®]
POLSKA

MONEVA POLSKA Sp. z o.o.

Ul Przemysłowa 4

58-160 Świebodzice Polska

NIP: 884 23 65 516

Regon: 891138010

Świebodzice 14.12.2009

ENQUIRY

Due to being chosen for refund in accordance to polish program:
„Regionalny Program Operacyjny dla Województwa Dolnośląskiego na lata 2007-
2013”

Priorytet 1 Wzrost konkurencyjności dolnośląskich przedsiębiorstw

Działanie 1.1 Inwestycje dla przedsiębiorstw

Schemat 1.1.A2 Dotacje inwestycyjne dla MŚP wspierające innowacyjność
produktową

i procesową na poziomie przedsiębiorstwa (z wyłączeniem projektów z zakresu
turystyki)

Tytuł projektu: Podniesienie konkurencyjności firmy Moneva Polska Sp. z o.o. z
siedzibą w Świebodzicach poprzez zakup nowoczesnych maszyn i urządzeń oraz
informatyzację przedsiębiorstwa.

Please send us the offer for **Spraying device for automatic application
of separating – lubricating coatings on the moulds**

General requirements:

- Working capacity: 10l/h up to 2,5m³/h.
- Working pressure: from 1bar up to 6 bar;
- Working possibility in 30°C temperature
- Setting up the mixture proportion: from 0,5% up to 2% (1:50 – 1:200).
- Container filling status control;
- Weight: max 200 kg

Apart from description of general equipment the offered device shall include the following:

- Complete documentation in Polish language
- Guarantee
- Lead time – 12.2009 CIF Świebodzice Polska
- Price in Euro

The following criteria shall be taken into consideration when supplier will be chosen:

1.	Price	30
2.	Compatibles with existing machine park	20
3.	Service in Poland	30
4.	Guarantee	20

The estimation will be based on multiplying the numbers of points settled above with the number of points coming from comparison between the offers

Example

The offered price of company X is lower than company Y.

The company X receives 60 points (as $2 \times 30 = 60$)

The company Y receives 0 points (as $0 \times 30 = 0$)

When the offered prices are the same the number of points received is also the same, in this example each receives 30 points.

Please include the technical description.

It would be great to receive the description of innovative and cost savings solutions implemented in the device as well as it's influence on the environment.

The device has to comply with current EU safety standards.

The offers shall be sent by post to Moneva Polska seat:

Ul. Przemysłowa 4
58-160 Świebodzice
Poland or

Email: e.reif@moneva.pl

till 17.12.2009, at 16 o'clock in Polish (additional 10 points), or English (additional 5 points) or other language.
